**Agenda Item #5 – Resolution to Approve Forgiving First Time Home Buying Loans**

- CRA Director Soray-Cameau: The 2005 CRA Plan mandated all residential programs be established as loans, unlike the City’s Home Buying Programs, which are forgivable after seven (7) years. Between 2008 & 2009, the CRA funded nine (9) loans totaling \$450,000.00, with ten (10) year maturity and bearing interest at 3%. One loan foreclosed in 2014 and has been written off. There are eight (8) remaining properties on the original plan and would require Board approval to be forgiven. Staff recommends approval.

- Motion made by Mr. Sanchez. Seconded by Ms. Estime-Irvin. Motion made and approved.

**Agenda Item #6 – Resolution to Approve Foreclosure Prevention Loans**

- CRA Director Soray-Cameau: The 2005 CRA Plan mandated all residential programs be established as loans, unlike the City’s, which are forgivable after several years. In 2009, the CRA funded eight (8) loans totaling \$29,937.49, to help low income residents avoid foreclosure proceedings. These loans were to be repaid starting 2014 for 36 months. One loan foreclosed in 2014 and has been written off. Working with the residents, staff has collected \$9,331.29, but the remaining balance has been very difficult to recoup. These seven (7) properties remain under the original Plan rules and would require Board approval to be forgiven. Staff recommends approval of this item as it would alleviate the financial hardship imposed on the residents.

- Motion made by Ms. Estime-Irvin. Seconded by Dr. Moise. Motion made and approved.
