North Miami Community Redevelopment Agency **OUR HISTORY**

On July 13, 2004, the Board of County Commissioners (BCC) adopted Resolution R-937-04, which approved the Finding of Necessity and established the North Miami Community Redevelopment Agency "NMCRA". On June 7, 2005, the BCC adopted Ordinance R-610-05 establishing, among other terms and conditions, the NMCRA Trust Fund, providing for the appropriation of County Funding at the rate of 95% of the County's portion of Tax Increment Funds for a period up to 30 years. On February 17, 2017, an Interlocal Cooperation Agreement ("Second Amendment") between Miami-Dade County (County), the City of North Miami (City) and NMCRA was executed requiring NMCRA to refund certain amounts of the County's Tax

Increment Financing payment contributed by the County in excess of One Million Dollars. In otherwords, any remaining tax increment revenues from the County in the NMCRA Trust Fund in excess of One Million Dollars, after the NMCRA paid any refunds back to the County, would be remitted back to the County.

Since the implementation of the above-described County tax increment revenue cap, the NMCRA has refunded \$14,144,743 back to the County. Under this current proposed FY 2022-2023 Budget, the tax increment revenue cap refund due to the County is \$5,110,823, which would yield, since inception, a total cap refund back to the County in the amount of \$19,255,566.

NORTH MIAMI COMMUNITY REDEVELOPMENT AGENCY FY 2022-23 PROJECTED REVENUE

Total revenue in FY2022-23 for the NMCRA will total \$21,514,983. The sources of revenue for FY2022-23 include tax increment revenue payments from the City of North Miami in the amount of \$9,736,246 and Miami-Dade County in the amount of \$6,110,823 in addition to an estimated carryover from FY2021-22 of \$5,515,815 from planned projects, \$26,000 from interest on investments, and pursuant to an Interlocal agreement, \$126,099 representing one half of an overpayment due from the City. This amendment to the budget reflected on the spreadsheet, is being made to reflect the changes to the FY 21-22 Year-To-Date Actuals, the resulting carry-over figure, and the adjustments to FY 22-23 2nd Amended Proposed budget.
