OPPORTUNITY FOR PUBLIC ART

We’re all about the heART of the city, and as such, are transforming the main corridors of the North Miami CRA, using three-dimensional artworks to occupy an outdoor sculpture gallery with vibrant colors and design reflective of the area’s rich and diverse cultural heritage.

To participate with this opportunity, artists are invited to submit a short bio and samples of their existing work to be considered. This deadline is June 30, 2021.

If selected by the Art Committee, an official invite will be extended for an official proposal that meets the listed requirements. This deadline is July 31, 2021. Each selected artist will be paid $200 for their time to submit the proposal.

NMCRA seeks to commission original art for its Pioneer Blvd Outdoor Sculpture Gallery initiative, repositioning an underused community space and transforming it into an attractive area of public art reflective of the City’s mosaic as well as its longstanding support of the arts. During this CALL TO ARTISTS process, we are seeking artists’ portfolios and design proposals for the areas specified in ATTACHMENT B.

ACCEPTED MEDIUMS: Artists are welcome to submit proposals that contemplate artwork in an array of sizes, types and mediums. The proposed medium(s) should be weatherproof and appropriate to outdoor display over a sustained period. The medium(s) should
not pose any hazard to the public and be appropriate to securely display on the designated plinths along a very busy pedestrian and automotive thruway.

The installation will remain in place for at least (5) years. ALL designs MUST include “art NoMi” as presented in ATTACHMENT A. For sculptures, this can be discussed with the final piece.

After the ART SELECTION COMMITTEE selects the winning proposal, the appointed artist will work with the ART IN PUBLIC PLACES Manager to finalize design with input from the ART SELECTION COMMITTEE. The final design will highlight the artist’s unique artistic vision along with the ART SELECTION COMMITTEE’s vision for designated corridors and its themed message(s).

 Recognizing the transformative force of art, the North Miami CRA deems it essential to the health and vigor of its communities. To help ensure continued vibrancy of Miami-Dade County’s sixth largest metropolis, as well as to ensure access to art, the City, a longstanding proponent of the arts, launched its Arts in Public Places program (APP) in 2010, coordinating closely with the County’s own ‘Art in Public Places’ initiative.
